

PUTTING OUR ENERGY INTO SAVING YOURS.

Being a great builder starts with being a trusted partner, which is why we're so proud to announce Meritage® has received the EPA's highest ENERGY STAR® award with you for a seventh straight year. Our commitment to better building so far exceeds national standards for quality and efficiency, that we've been consistently recognized as Partner of the Year — Sustained Excellence.

LIFE. BUILT. BETTER.®

ENERGY STAR® is not affiliated with Meritage Homes. All equivalencies provided by ENERGY STAR® and applied to actual number of home closings. Estimates and claims related to energy savings or performance are created exclusively by third party suppliers, rating services, utility companies, and/or certified auditors, based on U.S. Department of Energy methodology and average energy use and scores. Potential energy savings of home is based on a 2012 average HERS score of 65 or less. Actual energy savings and performance of any home or any of its features may vary widely, and may be more or less than indicated savings and performance, depending on the personal energy consumption choices of the occupants and changes in energy provider rates and programs. Visit <http://www.meritagehomes.com/featuredescriptions> for information and disclaimers about energy-efficient features and associated claims. Not an offer or solicitation to sell real property. Offers to sell real property may only be made and accepted at the sales center for individual Meritage Homes communities. See sales associate for details.
